Tony Mazzagatti, owner of 900 Series Motorsports Inc. and star of the show shared his excitement with the deal and distribution of the show on MAVTV. *“MAVTV is a premiere TV and streaming network that appeals to Porsche owners who have a love for racing and performance upgrades. The 900 Series’ is one of the only car-centered television shows to focus on a single brand and explore the full experience of Porsche ownership for collectors, owners, and enthusiasts around the world, so we are thrilled to bring The 900 Series to MAVTV and their audience.”*

John Duff, Head of Content for MAVTV explained the appeal of the show to MAVTV. *“The decision in adding ‘The 900 Series’ to our roster of shows available on MAVTV and MAVTV Select was an easy one,” said John Duff, Head of Content, MAVTV Motorsports Network. “The show embodies everything our audience wants to see in terms of restoring and repairing cars but takes it a step further and focuses solely on Porsche manufactured vehicles.*

This is a great show for current and new Porsche enthusiasts to dive deeper into the rich history and mechanical evolutions of their favorite automotive manufacturer.”

The show is filmed and produced in Las Vegas by Vegas the Network Studios, Inc., a Las Vegas based production company.
